

# Elevate: Learning Condition Guides

Click on the name of a learning condition to read the research behind why it's important and to see recommendations for how to nurture it.

## Learning Conditions

[Affirming Identities](#)

[Classroom Community](#)

[Feedback for Growth](#)

[Learning Goals](#)

[Meaningful Work](#)

[Student Voice](#)

[Supportive Teaching](#)

[Teacher Caring](#)

[Well-Organized Class](#)

*PERTS encourages educators to measure the four to five learning conditions that best align with their own goals and focus improvement efforts on one or two learning conditions at a time.*
